FINDING INSURANCE COMPANY RATINGS

The Maryland Insurance Administration (MIA) does not rate insurance companies for financial stability or consumer satisfaction. However, the following are some organizations that do rate insurance companies and have publications at public libraries. In addition, you may access them via their web sites:

- **A.M. Best** www.ambest.com
- **S&P Global Ratings** www.spglobal.com/ratings
- **Moody's Investors Service** www.moodys.com
- **Fitch Ratings** www.fitchratings.com
- **Demotech, Inc.** www.demotech.com

Some of these rating services require registration and may require membership fees. The MIA does not endorse these entities or the calculation of various ratings and is not responsible for any information consumers receive. These services are offered as one source of information to consider when making educated purchasing decisions.
